## UH READY TO WELCOME TEXANS

### Hold Dance After Tilt Saturday Distribute Tickets At 11:30 Today

A post UH-Texas Mines game dance has been scheduled for 8 p.m. at Hemenway hall Saturday, it was announced by ASUH President Warren Higa late last week.

President Higa's announcement was made after the student council voted unanimously to sponsor the affair.

WITH KAPPA Epsilon, Theta fraternity in charge of all details, the dance will honor members of both the Roaring Rainbows and Texas Mines' squads.

According to the ASUH president, 1000 tickets will be distributed on a "first come, first served" basis at Hemenway hall beginning today from 11:30 a.m. to 1 p.m. ASUH cards must be shown at that time, and also at the entrance to the dance, he declared.

### Student, Faculty Directories On Sale At Hemenway

ASUH student directories will be on sale daily this week from 10:30 a.m. to 1 p.m. in Hemenway hall, it was announced by Leonora Nishikawa, directory editor.

The directory, containing names, addresses, colleges and classes, telephone and campus mail numbers, is selling for 15 cents. A list of faculty members is also included in the pamphlet.

### Name Football 'Play' Winners This Friday

Names of the winner and runner up in Ka Leo's Territory-wide Football Play contest will be announced in this paper's Friday issue, according to Bob Bjorn, sports editor.

The winning contestants will be guests of ASUH before the Texas Mines game, Saturday, Dec. 4.

### Non-Vets Qualified For Officer Posts Under HNG Policy

Young men with no previous military service may obtain commissions as 2nd lieutenants in the Hawaii National Guard under a new policy, announced Brig. Gen. F. W. Makinney, adjutant general of Hawaii.

Applicants must spend one year as an enlisted man in the HNG and take army extension courses and training to prepare for commissions, Gen. Makinney pointed out.

PERSONS MUST be between 21 and 27 years old and should preferably be high school graduates. Full information is available at the HNG armory.

### Geared For Approaching Battle

IN BOLD RELIEF—Head Mentor Tommy Kaulukukui (center) and three of his Rainbow stalwarts, (l. to r.) Dick Mamiya, Co-capt. Louis Collins, and Sol Kaulukukui, were caught in this tense scene by Ka Leo's cameraman during a recent game. Their expressions of anticipation could be very well applied to the important contest awaiting them at week's end, when they pit their gridiron strategy against Texas Mines at Honolulu stadium. ### Sinclairs Return From World Trip; Go To Hana Today

PRESIDENT SINCLAIR

The sun broke through the thick clouds over Honolulu airport Sunday at the exact moment the Pan American clipper bearing UH President Gregg M. Sinclair and Mrs. Sinclair touched its wheels on the runway 3:26 p.m.

The globe circling couple appeared a bit weary after the long flight from Guam, but maintained high spirits as they joked with the host of welcoming administration officials and students.

PRESIDENT SINCLAIR told Ka Leo he and his wife would go to Hana, Maui, Tuesday (today) to continue their vacation. He said he expected to return to the campus by December 17.

The UH chief executive said he is "looking forward to seeing the students very soon."

### RHYTHMIC REJUVENATION

### Spirit And Rally Committee Seeks New School Songs

Football spirit and a few sharps and flats are all that Rainbow fans need to enter the Song Writing contest sponsored by the Spirit and Rally committee.

### Racial Tolerance Topic Of 'Young Hawaii' Forum

"Do students display more racial tolerance than their elders?" will be the subject of a forum to be held on the "Voice of Young Hawaii" Thursday, Dec. 2, over KULA at 7:30 p.m.

Bill Coney, UH student, will be master of ceremonies for the program and will also serve on the forum.

### Oratory Contest Set For Dec. 14, 15

Medals and cash awards will be presented to winners of the All Hawaii Oratorical contest which will be held Dec. 14 and 15.

Subject matter is optional with the time set from eight to 10 minutes.

As this is one of the oldest oratorical contests held annually on campus, Leonard Walker, board of debate and forensics chairman, urges all interested students to participate.

Thursday, Dec. 16, has been designated as the deadline for entering fight songs, touchdown songs or any type of football ballads in the contest.

"REMEMBER, A PRIZE will be awarded the best composition," announced Joan Flath, co-chairman of the song writing committee.

The entries may be turned in to Miss Flath, Edmee Jones or Epy Yadao, director of the spirit and rally committee before Dec. 16.

FOR SONG WRITERS who need help, the kokua of the music department has been solicited. Anyone entering the contest may seek assistance at the music building.

"Just because you haven't ever tried your hand at song writing before doesn't mean that you can't do it," remarked Miss Flath. "I never thought I could knit before my boy-friend asked me to make him some socks. Come on, try your hand at it; song writing, that is."

(Editor's note: An entry entitled "The Rainbow Victory Song," which was submitted by Fred Trask, is reported to be a snappy number.)

### Gala Events Are Planned For Visitors

### DA Asks Students To Aid Ticket Sale

#### BULLETIN

Texas Mines will arrive in Honolulu Thursday night by Pan American, it was announced Saturday by Iwao Miyake, acting athletic director.

Traveling in two flights, the Miners are scheduled to land at Honolulu airport at 9:30 and midnight, Mr. Miyake said.

About 65 men are reported to be making the trip.

An enthusiastic program displaying Hawaii's famed Aloha spirit is planned at UH for the visiting Texas Miners before and after their game with the Roaring Rainbows, Saturday, Dec. 4, revealed Doris Obata, pre-game activities chairman Saturday.

Events slated for Friday and Saturday include a campus rally, a meeting between the Texans and Mayor John Wilson, a gigantic jalopy motorcade, a dance, and a host of other activities, Miss Obata stated.

MEANWHILE, Mr. Iwao Miyake, acting athletic director, urged all members of the student body to sell at least two tickets for the game to their families and friends. Tickets may be obtained, together with complete information, at Mr. Miyake's office near the gym.

All ducats and money must be returned to his office by 4 p.m. tomorrow, he said.

MISS OBATA disclosed plans for welcoming the Texas team when it arrives in Honolulu. Students, a hula troupe and orchestra will greet the squad upon its arrival at the airport.

Following the reception, all students with transportation will be asked to take a member of the visiting team in their cars, forming a "noisy cavalcade through town" on the way to the Royal Hawaiian, Miss Obata said.

"Aloha shirts and muumuus should be worn for this occasion," she requested.

FRIDAY MORNING the Miners will meet Mayor Wilson at the City hall, and at 12:30 p.m. they will be introduced to the student body at a rally scheduled outside Hemenway hall, she stated.

Moreover, the Texans will be invited to attend the bonfire rally at Cooke field Friday night, beginning at 6:30.

MISS OBATA also announced plans for a "gigantic jalopy parade Saturday to put the last one we had to shame." Complete details will be revealed in Friday's Ka Leo.

Beginning at 9 a.m. Saturday morning, the UH 4-H club will sell green and white pom poms at Hemenway hall, it was reported.

ALL STUDENTS who would like to greet the visitors at the airport are asked to contact Epy Yadao, spirit and rally director, at the ASUH office.

Furthermore, gummed stickers saying "Bury the Miners" are available at the ASUH office. Students and faculty members may obtain as many as they need.

## As We See It...

### Those Outsiders And The Fringe

No one can complain about student attendance at football games this year. Every game since the team returned from its Mainland jaunt has seen a near capacity UH section. Nor are these Rainbow boosters "fair weather" fans, for last Wednesday night's contest had the specter of imminent rain hovering over it, but UH'ers remained undaunted.

But there is one or two justified causes for concern which we would like to pass on. In the first place, it has been noted that at every game a sprinkling of rambunctious students has insisted on doing its own yelling, more often than not in direct conflict with organized yells conducted by the cheer leaders.

Moreover, this fringe seems to prefer certain high school cheers and songs to those of UH. It seems unnecessary to have to remind anyone attending this school that he or she is a member of it—and no longer connected with *any* high school.

We certainly condone high spirits and enthusiastic cheering at football games, but we are strongly opposed to these "un-ASUH" activities. UH has its cheer and song leaders. They know what their jobs are, but if they are to be constantly heckled and interfered with, let's disband them.

\* \* \*

Another disgusting attitude shown by some persons—not always students either—who manage to worm their way into the UH section is this jubilant, frenzied approval whenever the Roaring Rainbows' opponents make a gain or score. One such case, a student here last year, was warned by a UH man recently. At the last game, however, he was back again, as raucous as ever—for the *opposing* side.

\* \* \*

With the two biggest contests in the offing at which UH must make its finest showing, it's about time we took stock of the situation so that when we meet Texas Mines and Oregon State we will look and act like we *all* represent this university, and are not a hybrid composite of high schools and outside interests.

Ka Leo presents this statement with the sincere hope that the student body will act to protect *its own interests*.

### Regents Don't Fix Tuition Fees

A news item in this paper last week to the effect that student fees will have to be raised to five dollars per credit hour should the budget bureau succeed in having the 1949-51 UH appropriation slashed 20 per cent may have been misleading, and we hasten to clarify it.

The Board of Regents does not fix the maximum tuition rate. Rather, the Regents have always taken the position that either the budget bureau or Territorial legislature should initiate any changes in fees.

The Regents feel these two organizations have the responsibility for balancing the Territorial budget, so they should determine how much cost the university students must bear.

### A 'Little Voice' ... Now

This newspaper's counterpart, Ka Leoiki (the little voice) at Hilo center, commented editorially in its Nov. 24 issue: "The main campus in Honolulu is still raving over the 'sensational' jalopy parade held before the Police Benefit game . . . give Hilo a couple more years, then we'll really be able to offer the main campus some stiff competition."

We hope so, Ka Leoiki, we hope so!

### 'EARMARKS OF PROFESSIONAL THEATRE'

## Finds TG's 'Three Sisters' Sensitive, Thoughtful Play

By FLORENCE MANEY  
Ka Leo Dramatic Critic

The Theatre Guild has done a remarkably good job with Anton Chekhov's "The Three Sisters." Its sensitive and thoughtful production has the earmarks of professional theatre—intelligent interpretation of difficult roles, good timing, correct settings, excellent costuming—without the slickness so often found there.

\* \* \*

ORCHIDS GO to just about everyone, with particularly gorgeous ones to Bonnie Blomfield, Ruth Spolum (most striking stage presence), and Phyllis Wiebke, who as the three sisters have the most interesting as well as the most difficult roles.

An orchid also to Dick Herbine (Solyony) for a fine job in a strange role and an impassioned declaration to Irina.

\* \* \*

IF EVERYONE hates Priscilla

Freedman after the play, it will be owing to an adequate performance as Natasha, the pushing peasant who manages in the end to have forced the family into the garden, at least symbolically.

It is difficult to say anything new and pleasing about such dependable hands as John Phillips (Fyodor Illyitch), Louis Steed (Vershinin), and Eddie Fernandez (Baron Tusenbach). They are as good as always, which is not the faint praise it sounds.

THE SETTINGS were designed by Dr. Earle Ernst, who is the director, and are a close reproduction of sets used for the original performance of the play in Russia. They are important in the total mood of the vehicle for they show the gradual decline of the Prozoroff family in their own house.

Performances are scheduled to continue this week Dec. 2-4. Tickets are still available at the Farrington hall box office.

### 'A MAJOR ROLE'

## 'Doc' Miyake Lauds Reborn Student Zeal

By DANIEL H. KATZ  
Editor Ka Leo

Friendly, likeable Mr. Iwao Miyake, acting UH director of athletics, last week delivered a simple but impressive talk before the joint meeting of ASUH and Inter-club councils. Although devoid of oratorical catch phrases, the talk was straight from his heart, and it registered visibly on the assemblage of student body leaders and club representatives.

"Doc," as everyone prefers to call him, spoke on the importance of school spirit and how it plays a major role in the promotion of university athletics, as well as fostering love and respect for one's school.

\* \* \*

SPEAKING IMPROMPTU, "Doc" informed his extremely attentive audience that when he took over his thankless job last March, public support for UH athletics was at a dangerously low ebb.

The student body, he declared, was apathetic and indifferent as a whole toward the athletic department, while the alumni were for all purposes non-existent so far as the sports program here was concerned.

\* \* \*

IN ADDITION, the athletes in general, and the football boys in particular, were bitter and disgusted because they felt the students were not behind them, "Doc" pointed out.

MR. MIYAKE

Today, however, the complexion of the situation has changed tremendously, owing to the sudden revival of a long dormant student body, he said appreciatively. "Today the students are back of the boys, and it shows up in the brand of football they have been playing," the acting DA declared.

\* \* \*

"DOC" ALLUDED to the recent successful pre-game activities staged by UH, and paid high tribute to Epy Yadao's spirit and rally committee for their "terrific drive and resourcefulness."

He also commended the three student representatives to the board of athletic control—Barry Rubin, Warren Higa and Claude Takekawa—for their splendid work on the board.

\* \* \*

HE INFORMED his listeners, about 50 students, that countless persons in the community had said that the transformation which has taken place at Manoa campus is a long overdue but highly gratifying sight.

"The last time I heard so many fine compliments," he noted to the delight of the group, "was way back in 1927 when I was still a student here myself."

\* \* \*

THE POPULAR PHYSICS instructor—yes, he does find time to teach—urged the student leaders to continue to fire the zeal of their respective organizations. "The public does want to help us, but first it is up to the students to help themselves by keeping the initiative."

If the BAC is successful financially this year, he claimed, "it will be the students and football team who are responsible."

\* \* \*

"DOC" ONCE AGAIN maintained he is "ready to step out" of his acting directorship at any time, "now that the students are backing the athletic program."

Anyone can handle the DA's job, he stated, with the students' support. But, he argued, "Without student backing, even the most qualified person will be a tragic failure."

## Winds AND Showers

SAM OKINAGA

### AN OPEN LETTER TO EPY YADAO:

Dear Epy,

There is no doubt in our mind that you and your spirit and rally committee have done more toward promoting the school spirit of UH than was done in all the years put together since the war. The jalopy parade was unprecedented, the match stunt spectacular, and the singing and cheering at games are vastly improved.

We heartily endorse the activities planned for this weekend's game: the sale of tickets downtown by students; the pre-game bonfire rally; the post-game dance; the seeking of campus clubs' cooperation; and other promotional attractions.

After the Texas Mines fray our Roaring Rainbows will take to the gridiron only two more times at the most. Undoubtedly more activities are contemplated by your committee for the remaining games.

As we suggested in this column, we believe that UH should have a homecoming game like the colleges on the Mainland. Many have expressed approval of such a game, and believe that this season would be the opportune time, especially with the "new awakening" of UH spirit.

The pre-game activity program should include active participation by the alumni as well as by the students, and run for two or more days. We realize the indifferent attitude of the former group, but if sufficient stimuli are offered, there is no reason why the alumni cannot be tempted to share in the festivities.

When school opened this fall, you and your committee were confronted with this same problem but hurdled the obstacle in due time with foresight and sound and early planning.

One point could be emphasized. With many of the graduates never returning to UH after commencement, this would be an excellent opportunity to hold an open house and at the same time give them a chance to meet former classmates and recall their college days.

Latest report is that the Roaring Rainbows will definitely play a game Dec. 17, regardless of whether a Mainland opponent is contracted to play or not. (The BAC will meet tomorrow to decide the next college to be sought for that date.)

We propose that this game be proclaimed "Homecoming" and that a capable and energetic chairman be appointed immediately. The alumni should be contacted and preferably an alumni chairman should also be selected.

The program should be dynamic and colorful so that students and alumni will anticipate the days with festive fervor.

Yours Truly,

Sam Okinaga

### Aloha Shirt Greeting:

To impress the Texans and Oregonians that the community as well as UH welcomes them, students are visiting various firms for donations which will be used to purchase Aloha shirts for the visiting gridders.

A total of \$142 was collected up to Saturday by the following solicitors under Epy Yadao and Doris Obata of the spirit and rally committee: Barbara Harper, Ted Holtz, Beatrice Porter, Betty Lou Lung, Edmee Jones, Forrest Murphy, Fred Trask, Virginia McGregor, Dick Tongg and Jackie Booth.

The firms and the amount contributed are as follows: Kuhio Grill \$25; Philip Spaulding, \$20; Williams Equipment Co., \$15; Ritz Dept. Store, \$10; Benny's Studio, \$10; Service Center, \$10; Honolulu Sporting Goods, \$10; Waikiki Tavern, \$5; Chicken Griddle, \$5; Wichman's, \$5; Royal Sportswear, \$4; Gift Box, \$2; Garden Inn, \$1; and Anonymous, \$20.

### RALLY AND TALLY SCENE

UH-Texas Mines Twist:

Those Miners shouldn't be too hard to lick. After all, they're nothing but a bunch of shaft dodgers.

\* \* \*

The Punahou band is worried because they will have to play all of the Texas songs in a miner key.

\* \* \*

As a special treat for our mining opponents, the Rainbows are going to reenact the goal-rush scene for them.

\* \* \*

Football is such an interesting sport. When you get tired of watching incomplete passes on the field, you can always look at the completed passes in the stands.

\* \* \*

If the clubs don't sell a lot of tickets for the game the wide open spaces in the stands will make the Texans homesick.

\* \* \*

Testing, 1-2-3-4:

That exams are here  
Is clear, by nary  
A couple necking  
In the UH Library.

\* \* \*

Snack Bar Snatches: The Miners are famous the world over for their aerial attack. Even their home town is named El Paso.

\* \* \*

We should all go down to the airport and welcome the Texas team when it arrives. If we spurn them at the airport, they might do some spur'n on the field.
